About Caymus Vineyards and Wagner Family Wines (wagnerfamilyofwine.com) Chuck Wagner's parents, Lorna Belle Glos and Charlie Wagner, were both born to families that helped shape Napa Valley's wine industry in the late 1800s and beyond, through their hard work, dedication, pioneering spirit and resilience in the face of adversity.

Today, the Wagner Family are proud to showcase a collection of wines that have a reputation for quality and consistency, produced from the premiere wine growing regions of California. Charlie Wagner died at his Rutherford home in February 2002, in his 90th year. His son Chuck Wagner continues to oversee the making of world-renowned Caymus Cabernets and he is thankful to have three of his four children: Charlie, Joseph and Jenny Wagner, farming the land alongside him and carrying on the family legacy.
